Ass't Principal

It is our sincere hope that the students of Hardisty school have acquired a number of desirable characteristics, attributes and benefits from their association with the school, their friends and teachers.

The end of a school year marks a time of mixed emotions; everyone should experience some feeling of accomplishment in the past and anticipation for success in the future. Success fosters success!

May you face the future with optimism, courage and determination. You have the right to develop yourself with your fellow man in the community. Set a high standard in human dignity, human opportunity and human freedom.

President's Message

I am very proud to have been your President. I would like to thank the students of Hardisty for a successful year.

There was great participation in all activities and the dances were especially well attended.

I would like to take this opportunity to congratulate the Boys' Senior Basketball Team for winning the city title in exhibition and regular schedule games. I was glad to see the many spectators who showed up to see our boys in action.

The Students' Council would like to thank Mrs. Cameron, Mrs. Matheson, Mr. Pallas and Mr. Donaldson for assisting us.

May I extend to each student of Hardisty Junior High School a wish for happiness and success in their future endeavors.

Peggy Robinson
